

PIONEERS' FIRST REUNION.

All original members of 2/2nd Pioneer Battalion, AIF, which distinguished

itself in Syria and later went to Java, where many of its members were taken prisoner, these Diggers and ex-Diggers held their first reunion last night, and formed an association. In centre of second row is Col N. F. Wellington, original officer commanding the battalion when it went abroad, who presided. About 60 original members were present, including some who came from other States.
