

Local Soldier Killed

—:0:—

Advice has been received that Capt. R. A. Camm, 2/2 Pioneer Battalion, has been killed in action in Syria.

The late Capt. Camm, who held a Commission during the 1914-18 War, came from Scotsdale, Tasmania, and conducted a poultry farming business in Kilmore for over 12 years.

When the call came again for men to serve, this fine soldier enlisted once more to help serve his King and Country.

During his residence in Kilmore he made many friends and the news of his death will be regretted by all. He had been a member of the Board of Management of the Kilmore Hospital; President for 9 years of the local branch of the Returned Soldiers Association, and an active member of the Kilmore Rifle Club; also taking a very keen interest in many functions arranged for Empire and Anzac Days, when he always attended to deliver an appropriate address to the scholars of the State School.

Our deepest sympathy is extended to all his relatives.

His son, Richard, and his brother, Aubrey, are also serving overseas.
